A Message from Ms. Boyle

- Thomas Prince School is looking to revitalize or enhance the outdoor learning spaces available on the grounds. These include an award winning Courtyard Garden, a Courtyard Classroom, a Butterfly Garden, and the Nature Trails. Each of these have been used in the past, and some continue to be used for classes/lessons today. With that said, Thomas Prince School is currently working to either re-establish those that aren't currently used, or determine improved ways of using/fixing the others. There is currently an Outdoor Learning Spaces Committee made up of teachers and parents of students at TPS. We are looking for community feedback. Please complete this brief survey by or before Friday, January 19, 2018.

- Mrs. Shaveet's advisory students have claimed a bulletin board in the 400 hallway and they have committed to updating it with fun or positive interactive themes in which the whole school can participate. Here is their most recent:

- The WRSD nurses have a new health services website. It is located on the health office tab on all school websites and the district site. The nurses are excited to have this new site up and running so please check it out!

- This week the middle school students worked on glazing their clay pieces in the art studio. Classes discussed the process of turning our bisqueware into glazeware and how to properly apply the many coats of underglaze and glaze. After a second firing in the kiln, the ceramics are shiny and beautiful!

Coming up next week!

Important Safety Reminder about Parent Drop-off

Please do not park in the fire lines or idle.

The main entrance parking lot is ONE WAY. Please obey the traffic laws and patterns. We ask that parents make one queue. Your children should exit your vehicle as quickly and safely as possible when you arrive at the sidewalk entrance. Remind your child(ren) not to walk behind your car and to get to the sidewalk immediately and to go directly into the school building to the cafeteria. Please do not form two lines, nor should you leave the queue once you have dropped off to get around other vehicles whose children are still exiting their vehicles.
