In Art class this week, grades K-2 worked on beautiful watercolor resists, using white crayon, colored crayons and liquid watercolors on watercolor paper. After they dried, we matted and framed our work to create a finished piece we are very proud of. We used glitter glue and sequins to decorate our frames.

Over the past several weeks grades 3-5 have been working on self-portraits. We worked on proportionally setting up the face and realistically drawing facial features. Realism Art is tough, but practice makes perfect!

Spring track registration is open on Family ID. Please use this link:

<https://www.familyid.com/organizations/thomas-prince-school>

All students who register will participate!

Payment is due upon registration. The first practice is scheduled for April 4th.

Important Safety Reminder about Parent Pick-Up

Please do not idle. Once parents are in the "pick-up zone" **cars must be turned off.** As children see their rides pull into the "pick-up" zone they will raise their hands up and wait for teachers to announce to "Load up" before heading towards their car. The teachers will then assure that the students get into the correct cars safely. Once all cars in the pick up area are safely loaded, drivers may turn their engines on at this time. This rotation will continue until all are picked up.

Coming up next week!

Thursday, March 29th
