A Message from Ms. Boyle

We have just completed our seventh week of school and I just cannot believe how quickly the year is passing. In just three weeks, our first quarter will have concluded! Please do not hesitate to contact your child's teacher if you have any concerns. We encourage two-way communication between home and school.

TPS continues to have exciting and engaging lessons taking place in our classrooms! Last Friday, 4th grade enjoyed a presentation from "Wild on Wildlife" and they learned all about raptors and the adaptations they make to survive. The presentation included 3 live birds and many artifacts along with a visual presentation. The students were captivated by all they saw.

Our 7th/8th grade chorus enjoys a full band rehearsal. Here are some of our talented instrumentalists getting ready to practice!

Students in Ms. Goodman's ELA class are using chromebooks to read literature and write a literary analysis.

You can always get more information by visiting www.wrsd.net/thomasprince

Please check out this link if you are interested in learning more about MCAS:

steAm
AHEAD!

Learn more on November
15th at 6:30 pm!

YOUR QUESTIONS **ANSWERED**

When will I receive my child's MCAS results?

We are not sure, yet. This was the first year of a new assessment: the MCAS 2.0 or "next generation" MCAS, therefore it is taking longer than usual because the test developers and the DESE are reviewing questions and answers for the sake of validity and reliability.

WARRIOR OF THE WEEK

Nurse Corazzini is already to tend to the health needs of our students!
Thank you!
