

**Thomas Prince School Middle School Supply List
2023-2024 School Year**

Teachers are always happy to accept classroom donations! Thank you!

- **Tissues**
- Hand sanitizer
- Pencils

Supplies across all subjects:

- A system for bringing *loose paper* homework to and from school. Some suggestions are a folder with an agenda or a folder with a to-do list. Please note that class notebooks and binders may also need to be brought home, depending on the class and assignment.
- Pouch to hold the following items for writing utensils
 - *Wired* earbuds - students need these in school at all times to plug into their chromebooks (*We ask that you do not bring wireless earbuds to your classes*).
 - Colored pencils/ markers/ crayons (student preference)
 - 1-3 Highlighters for text annotation
 - Writing utensils for *all 180 days of school*. We suggest checking in with your TPS Warrior during every school vacation to see if they require more.
 - Hand-held pencil sharpener
- Reusable water bottle *labeled with student name*. We suggest keeping a spare in lockers or backpacks since there are no more water fountains, only water bottle refill stations.
- Chromebook case or sleeve to protect your school Chromebook
- A lock for your locker is *strongly* suggested since student cell phones remain there all day
- All students are expected to bring an independent reading book to all classes.

***** In an effort to help our TPS student warriors achieve success with organization, we are implementing a color-coded system. Please remember that colored paper can be inserted into the binder spine and front cover if you have difficulty finding all the colors. We appreciate your support.**
